

Deliverable D9.6

Second report on Training, Education and Dissemination activities

WP9

Grant Agreement number 657982

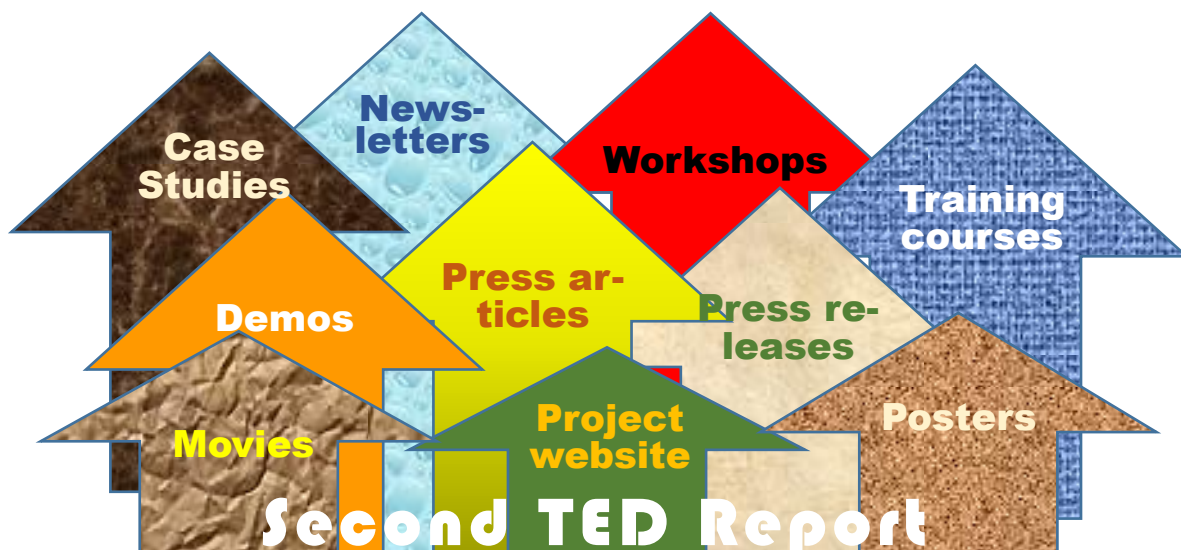

Project acronym Cheap-GSHPs

Project full title Cheap and Efficient Application of reliable Ground Source Heat Exchangers and Pumps

Due date of deliverable 31/05/2016 (M12)

Lead beneficiary Romanian Geoexchange Society - RGS - Doina Cucueteanu

Other authors All the partners

Dissemination Level

PU	Public	
CO	Confidential, only for members of the consortium (including the Commission Services)	X
CI	Classified, as referred to in Commission Decision 2001/844/EC	

Publishable summary

The **Cheap-GSHPs - D9.6 "Second Report on Training, Education and Dissemination activities"** - hereinafter called **Second TED Report** - is a confidential document delivered in the context of **WP9 - Task 9.1- Development of the Training, Education and Dissemination Plan** with regard to dissemination and communication activity: actions / events / documents planned / accomplished by the project partners. This document was elaborated by the WP9 leading partner on the basis of partners' individual reports. The reports were done according the Cheap-GSHPs project strategy and reporting format set up to the 30th of November 2015.

The deliverable D9.6 covers the **second year of the project** (June 2016 - May 2017) and the delivery deadline is at the end of Month 24 (May 31st, 2017).

The reference document for this report is the TED Plan included in D9.3 **"Report on Training, Education and Dissemination Plan"** that was finalized and delivered in November 30th, 2015.

This second TED implementation Report will be followed by another 2 reporting documents that will also focus on the Provisions of D9.3 - TED Plan, as follows:

- **D9.7 - Third Report** of Training, Education and Dissemination activities (M36 - May 2018);
- **D9.8 - Last Report** of Training, Education and Dissemination activities (M48 - May 2019).

All these reporting deliverables are confidential (only for the members of the consortium including the Commission Services) and are / will be uploaded in the private area of the project website.

According the GA the deadlines of the TED activities included in the Dissemination plan were inserted in the project graph included in Annex I - Description of the Action.

The target groups of the TED activities included in project TED Plan are all the stakeholders in the geothermal heating and cooling systems area.
