

Deliverable D9.7

Third report on Training, Education and Dissemination activities

WP9

Grant Agreement number 657982
Project acronym Cheap-GSHPs
Project full title Cheap and Efficient Application of reliable Ground Source Heat Exchangers and Pumps
Due date of deliverable 31/05/2018 (M36)
Lead beneficiary Romanian Geoexchange Society - RGS - Doina Cucueteanu
Other authors All the partners

Dissemination Level

PU	Public	
CO	Confidential, only for members of the consortium (including the Commission Services)	X
CI	Classified, as referred to in Commission Decision 2001/844/EC	

“Cheap-GSHPs project has received funding from the European Union’s Horizon 2020 research and innovation programme under grant agreement No.657982”.

Publishable summary

The **Cheap-GSHPs - D9.7 “Third Report on Training, Education and Dissemination activities”** - hereinafter called **Third TED Report** - is a confidential document delivered in the context of **WP9 - Task 9.1- Development of the Training, Education and Dissemination Plan** with regard to dissemination and communication activity: actions / events / documents planned / accomplished by the project partners.

This deliverable is a synthesis made by the WP9 leading partner on the basis of partners' individual reports elaborated in May 2018. The partners' reports were done according the Cheap-GSHPs project strategy and reporting format set up to the 30th of November 2015.

The deliverable D9.7 covers the **third year of the project** (June 2017 - May 2018) and the delivery deadline is at the end of Month 36 (May 31st, 2018).

The reference document for this report is the TED Plan included in D9.3 **“Report on Training, Education and Dissemination Plan”** that was finalized and delivered in November 30th, 2015. TED Plan was continuously updated by the partners in the first three years of the project.

This third TED implementation Report will be followed by a last report on:

- **D9.8 - Last Report** of Training, Education and Dissemination activities (M48 - May 2019).

All the mentioned reporting deliverables are confidential, being exclusively intended to the members of the consortium including the Commission Services, and are uploaded in the private area of the project website.

According the GA the deadlines of the TED activities included in the Dissemination plan were inserted in the project graph included in Annex I - Description of the Action.

The target groups of the TED activities included in project TED Plan are all the stakeholders in the geothermal heating and cooling systems area.
