Publishable summary

The “IPR Strategy Implementation Report” is a confidential document delivered in the context of Work Package 8, task 8.6 “IPR strategy development and management” with regard to the protection of the Project Results from the Cheap-GSHPs project

This document builds on the articles of the Grant Agreement and the Consortium Agreement with respect to the handling and protection of Intellectual Property.

The document defines the strategy for the protection of these Results and identifies exploitation routes for all the Consortium partners involved in the creation of these results.
