Publishable summary

The deliverable 8.7 report the description of the special activities with the other key partners of the winning projects inside the topic ‘LCE 3 – 2014/2015’, i.e. GEOTeCH (project number 656889) and GEOCOND (project number 727583).

In particular, this document represents a summary of the dissemination activities made in collaboration with the partners of Cheap-GSHPs and the partners of the other 2 projects.

Dissemination activities in common with other European Projects during the development of the project were also added as demonstration of a larger activity in the European context.
