Publishable summary

The Cheap-GSHPs - D9.8 “Last Report on Training, Education and Dissemination Plan” - hereinafter called **Last TED Report** - is a confidential document delivered in the context of **WP9 - Task 9.1- Development of the Training, Education and Dissemination Plan** with regard to dissemination and communication activity accomplished by the project partners.

This deliverable is a synthesis made by the WP9 leading partner on the basis of partners' individual reports elaborated in May 2019. The partners' reports were done according the Cheap-GSHPs project TED strategy and reporting format set up to the 30th of November 2015.

The deliverable D9.8 covers the **fourth year of the project** (June 2018 - May 2019) and the delivery deadline is at the end of Month 48 (May 31st, 2019).

The reference document for this report is the TED Plan included in D9.3 “**Report on Training, Education and Dissemination Plan**” that was finalized and delivered in November 30th, 2015. The TED Plan was continuously updated by the partners during the project.

This fourth TED implementation Report is the last implementation report in the list of 5 deliverable directly focused on planning and dissemination activity:

- **D9.3 – Report on TED Plan – M6**
- **D9.4 – First Report on TED activities – M12**
- **D9.6 – Second Report on TED activities – M24**
- **D9.7 – Third Report on TED activities – M36**
- **D9.8 - Last Report of TED activities – M48**

All the mentioned deliverables were confidential, being exclusively intended to the Commission Services and to the members of the consortium. They were uploaded in the EASME portal and in the private area of the project website.

The target groups of the TED activities included in the Cheap-GSHPs TED Plan are all the stakeholders in the geothermal heating and cooling systems area.
